SENIOR/OPEN GRADES SELECTION POLICY

Our Commitment

Our club supports an open and fair process for the selection of teams. Selection will be based on clear criteria that are communicated with all players prior to the season commencing.

Criteria

Selection decisions will be based primarily on performance; however, the following will also be considered:

- **Commitment** - attendance at competition, training, and club events.
- **Club Values** - Good sportsmanship.
- **Behaviour** - Abiding by The Club's Code of Conduct on and off the field.

Players must be financial members and will be selected based on performance, commitment, values, and behaviour, not personal characteristics. Safety concerns may prevent selection.

Process

- **Communication** - Players will receive written notification of selection times, locations, and criteria.
- **Selection Committee** - Composed of team coaches, with an optional independent selector nominated by the Director of Coaching.
- **Feedback** - Players will be informed of non-selection reasons and areas for improvement.
- **Reiteration** - Selection criteria will be reiterated throughout the season.
- **Resolution** - Concerns should be initially discussed with selectors/coaches, then addressed in writing to The Club committee if unresolved.

Responsibilities

- **Selection committee:** Ensure fair decisions based on criteria.
- **Players:** Understand and adhere to the criteria, clarify concerns, seek feedback, and commit to training and matches.
